Graduate Resources Advancing Diversity with Maryland Astronomy and Physics (GRAD-MAP) is an initiative to connect with Mid-Atlantic minority-serving institutions and prepare a diverse group of undergraduates for graduate careers. We are supported by the NSF PIRE, NSF CAREER, and the Physics and Astronomy departments at the University of Maryland, College Park. Pictured above is the 2017 Winter Workshop cohort at the Green Bank Telescope. Questions? Email us at gradmap.umd@astro.umd.edu.
